

### **Unofficial E-board meeting notes -**

The E-board discussed having an open to the public town hall on June 24th.

Adjutant Jena Wilmers passed out scripts to all the e-board members present and asked them to call those on their list. This effort is to reach all of our members a couple times a year like the buddy check called for by the National Commander.

The Membership drive year starts on July 1st, 2019 for the 2020 membership year.

On Memorial Day at the parade Jena was introduced to Jonny Brann and spoke with him about partnering with us to cater the Veterans Treatment Court Graduation on July 12th, 2019. He agreed to cater the lunch for \$6.50/person. We were given a count of 75 people for a total of \$487.50. Samantha Rose from the treatment court said the court would make up the difference as the count is now at 100.

### **Unofficial Legion Meeting Notes -**

Jena briefly summarized the previous meeting minutes and went over the membership report.

Milt disused the areas of repaving in the parking lot that were completed before the Veterans Run. The city of walker is going to come in to fix the shoulder. The front garden is being redone and the addition of pavers in the middle of the garden to make access easier is in the works.

MDOT has given the post permission to lay down the pole in the helicopter landing zone.

J&R trucking, the septic company, is still supposed to be bringing a load of top dirt.
